PRESIDENT 2019  
GORDON ABERNETHY

Dear Member,

It only seems like yesterday that I was approached by Stuart Naylor with regard to joining the Executive Committee, but it was in fact 2015. After becoming a member of the executive, I have endeavored to understand the ways in which the HHDUGC works and performs on a daily, weekly and monthly basis. Now having a better understanding of how the Union and Executive works, will I hope, enable me to serve you all in this coming year as your President.

Having been a Club Captain on two previous occasions (2004 & 2015), firstly at Laceby Manor GC (Lincolnshire), and then again at Halifax West End GC, I will hopefully be able to call upon my experiences during those years and put them to good use in 2019.

When I was approached by Vice President Chris Naylor with a view to becoming President-Elect for 2018, and President 2019, it was with humility and great pride that I accepted the nomination of the Vice and Past Presidents for the role.

I am glad to say that the decision made by my predecessor John Lawrence, regarding his appointment of John Turner as CEO of Teams, and Frank Greaves as Team Manager has proved to be a very wise one, based on the achievements of both our Senior & Junior Teams during the last season. It is my intention to continue with the same arrangements for 2019.

I congratulate Andrew Taylor from Crosland Heath Golf Club on his nomination as President Elect for 2019 (President 2020) and look forward to working with him closely during the next year.

My thanks must also go to the members of the Executive Committee, in whatever role they hold, who work tirelessly behind the scenes, to ensure that we as a union strive to move in the right direction for all our Member Clubs.

Thanks also go to our sponsors who contribute generously in many ways, during the course of the year, and enable us to carry on with our various competitions. and progress golf throughout this Union.

And last but not least, my greatest thanks must go to my wife Judith for her unwavering support in all of my various pursuits.

I hope as Individuals and Member Clubs we can continue to move forward in 2019, to further promote the HHDUGC.

Gordon Abernethy, President 2019

## **First Team Report**

The request from the boss is to improve.

Last year third, could we be second or first? Having beaten Sheffield at West End in the last match of the season in 2017 could we win at Worksoop in the first match of 2018?

The answer was no, Sheffield would once again win the league with a played 7 won 7 record.

We finished second, not putting a foot wrong having lost that first match. The group believe, want to play and when we need some steel someone provides it, exceptional shot, clear thinking. This was most evident when playing Leeds at Bradley Park, lost the foursomes, not looking good in the singles but we pull through 19 – 17. Victories on the road at East Riding and York and all the home fixtures Leeds, Bradford, Harrogate and Teesside, gave us 12 points.

I used 21 players and myself throughout the year, four of these players also represented the junior team Matthew Holden, Isaac Turner, James Edwards and Harry Mowl, the last 2 receiving their ties for 6 matches.

Graham McLean reached 100 appearances for the Union, 22 years of being good enough and wishing to play, remarkable! I'm not so sure the Union will have another centurion.

The leaders of Order of Merit were Tom Hunt and Josh Morton, they have not accepted their prizes but wish it to be used for coaching. This is a mark of their willingness to achieve the squads' goal, a YIDU Championship.

The Team Championship at Knaresborough, where by handicap the team assembled, was the best for some years. This didn't transfer into the scores and we finished fifth again behind East Riding who won it for the first time in 45 attempts. They had the highest cumulative handicaps. Our target for 2019 will be to improve our position although we were only 7 shots adrift after 12 rounds!

To our sponsors Richard Broadley (Longmill Carpets), Brad Tupman (Brand Consortia), Rodney Taylor (Stromberg), Alan Purdie (Glenbrae) and Tom Wild (Tom Wild Golf) I thank you for your support of the Senior Team.

To the members of the Executive, who watched, wandered around and passed comment. Your willingness to attend and give your time is appreciated, long may it continue.

Who knows what 2019 will bring, I'm on it... I do know it will be tougher.

# **YIDU JUNIOR TEAM**

## **Junior Team Report**

Well what a season it was.

Who would have expected that?

Previously played 13, won 2 and couldn't raise a team for one. Target for 2018, improve.

In 2018 it was played 7 won 7. History made.

To the players who showed skill, tenacity and belief when it was needed.

That important birdie by Adam at the 17<sup>th</sup> at Crosland Heath to ensure we sneaked past Leeds. The victory at East Riding when it didn't look likely, showing the mettle required to become champions.

By this time the group had bonded they understood what was possible and embraced it.

The team were magnificently led by James Edwards, not just through his golf but his character. Of course, he went onto prove what a talent he is by becoming Match play Champion.

This was a squad thing and having played their part we say bye to James Edwards, Seb Crabtree, Tom Pearson, Lewis Eccles, and Kian Sutcliffe. I wish them well in all they do.

Having won the league, we could no longer surprise the opposition and although confidence was high, we could only manage 3<sup>rd</sup> in the Team Championship at Headingley but the battling spirit was evident and may be in the next two years as the team develops this will come to us as well.

To the parents who bought into an idea and transported their sons to matches I thank them and hope the memories of what was achieved remains for a long time. For many we'll be having another go in 2019.

To our sponsors Selbie Opticians, Glenbrae and Brand Consortia many thanks.

To the members of the Executive who came to see history made and played their part, it was fun.

To conclude I feel it was George Hanson that holed a putt at the 17<sup>th</sup> at Ripon City that ensured we couldn't lose and yes that moment that piece of history still brings a tear to my eye.
